TERMS & CONDITIONS

PSC*tv* is a digital "cable" television service that is delivered into your home or business over a standard phone line. A PSC technician will install one DSL Modem (required for video service) and up to two Set Top Boxes (STBs), with a maximum of up to four television connections at no charge. *Note: No more than two televisions may be connected to a single STB. Two televisions connected to the same STB view the same channel. Channels must be changed at the STB location.* Installation of a third STB to one television is $49. Installation of a second television connection to the third STB is an additional $49.

AT THE TIME OF INSTALLATION, CUSTOMER WILL TAKE OWNERSHIP OF ALL WIRING, JACKS, DSL MODEM, and STBs INSTALLED BY PSC TO PROVIDE VIDEO SERVICE. CUSTOMER IS RESPONSIBLE FOR ALL CHARGES RELATED TO REPAIRS OF WIRING, JACKS, DSL MODEM and STBs, UNLESS CUSTOMER IS SUBSCRIBED TO PSC'S VOICE-VIDEO-DATA PROTECTION PLAN (see attachment for plan description). PSC RECOMMENDS THAT CUSTOMERS USE SURGE PROTECTION DEVICES ON ALL THEIR PSC*tv* VIDEO EQUIPMENT. SUBSTANTIAL CHARGES APPLY FOR EARLY CONTRACT TERMINATION.
